

SECRETARY 2010-2011:

Caran A. Keller

I graduated from Indiana University with a BS in Business, accounting major. I have 30 years of post-college accounting experience, 27 of it as a licensed CPA. The first 21 years were in public accounting, where I worked in both audit and tax for local CPA firms and later had my own tax and accounting practice for 10 years. Prior to coming to the State 3 ½ years ago, I was Controller of a medium-sized downtown law firm for 2 years, and before that I was Controller of a Carmel building contractor for 4 years.

I have been on many boards over the years. I was on the Board of the Institute of Management Accountants (formerly the National Association of Accountants) for a number of years in the late 80's and early 90's. I have been on numerous not-for-profit boards over the years where I served a number of roles, primarily Treasurer.
